Date: 28.07.2020

Dear Principals,

At the outset, I would like to congratulate all KVs of Ernakulam region for their unflinching commitment to the excellence in education. It has the record of being the top performer in KVS always. Excellence does not manifest of a sudden; it is the outcome of silent dedicated work that our Principals, teachers and students put in day in and day out.

It is God's will that I have this blessed opportunity of joining team Ernakulam. Team means Together Everyone Achieves More.

Owing to the Covid 19 pandemic, our challenges have become multifold. I could see an overwhelming enthusiasm teachers evince in imparting education online as directed by Government of India. With this might of synergy in our efforts, we can face any adverse situation with fortitude and courage. Let each of our class be a space of hope and reassurance to our students and parents.

May all stay safe and work safe!

Spring is waiting on the wings in God's own country. Soon there will be smiles blooming everywhere.

Jai Hind

Yours sincerely

(R. Senthil Kumar)
